

OUR MISSION

FAITH

Our Catholic faith sets St. Thomas Aquinas High School apart from other secondary schools. While not all students who come to St. Thomas Aquinas are Catholic, all share experiences of faith and values. Our faithful focus helps form young people relationally so that they can build successful friendships, view cultural messages through a Christian lens, and apply God's message of love to circumstances of their everyday life.

SCHOLARSHIP

High standards, exceptional faculty, effective discipline and an atmosphere of care combine to foster excellence. Preparing young people for tomorrow's world guides our vibrant approach to teaching and learning; our graduates advance into their communities having acquired stamina for studying, fluency in technology, aptitude for communication and deep confidence in themselves.

COMMUNITY

We are proud to partner with families and share in the responsibility of raising this generation's youth. Together, we form a living community of shared vision wherein young people can learn, thrive and soar. Our students experience a special bond among themselves – one rooted in tradition, balanced on school spirit and cemented by a strong sense of community.

SERVICE

Understanding that the Gospel grows generous hearts, St. Thomas Aquinas guides young people to focus not on self but on service. Retreats, service opportunities and community partnerships are a few of the ways our students channel gratitude into generosity. Our commitment to service is a humble way we empower our students and let their light change the world.
